Check:

Yes No

- I have read and agree with the C&MA statement of faith (see ACAC web site).
- I am committed to the Mission Statement of Allegheny Center and feel God's call to regularly worship, grow and serve at ACAC (See ACAC web site).
- I am willing to submit to the leadership of this church; specifically, to the Pastor of Worship and to the elders and pastoral staff in regards to my spiritual and personal life.
- I am a member of Allegheny Center or am currently pursuing membership. (Although membership at Allegheny Center is not required for participation in rhythm section, membership is something that is encouraged.)
- I am at rest with who I am in Christ as a musician. I do not need to be involved in worship ministry as a means of gaining a personal platform for performing.
- I am committed to avoiding habitual sin that would disqualify me from serving.

I am willing to be a committed and disciplined worshiper and to submit to authority. My 'house is in order' and I am able to commit my gifts and time to the important calling of a worship leader. I understand that worship leaders are ministers of the gospel; I will endeavor to increase my knowledge of Scripture and deepen my personal relationship with the Lord. I will also commit to increase my skill by practice and consistent personal worship time. This includes a commitment to attend rehearsals and the weekend services indicated above. I understand that my commitment to the worship ministry is a priority and, to the best of my ability, I will fulfill my responsibilities to the ministry of worship.
