

Bible Quizzing for Grades 3rd - 12th

Bible quizzing is a fun and exciting opportunity for kids in grades 3 to 12 to study and memorize God's word. You are invited to come to our classes in order to learn about Quizzing and find out what we do each Sunday. We began our new class year on June 12th, but students can join the class anytime before September.

Quizzing is offered as a Sunday morning elective for grades 3 to 12. Quiz Meets are held the 1st Saturday of the month from October to April at different Alliance Churches throughout Southwestern PA. This is a tremendous opportunity for the kids to gain a lifetime of benefits from hiding the truth of God's Word in their heart. And, if your child has not been successful in memorizing verses, you might be surprised how quickly they can memorize verses when it is combined with fun, friends, and competition!

Quizzers study assigned chapters and verses from the Bible each week. On Sundays, we have a lesson, play games, and conduct practice quizzes. By the end of the year you will be amazed at how many verses your quizzer will have memorized and how well they will be able to apply what they have learned.

Quizzing is...
