No problem. When you're ready, just pick up where we currently are in the reading plan and look ahead. You can always look back and make-up missed time at your convenience.

### I started attending ACAC after the launch - can I still participate?

Yes! You can begin anytime along the journey. Just begin where we currently are according to the *Scripture Reading Guide*. You can make up for any passages you missed at your convenience or following the completion of the 91 weeks.

**How can I listen to the audio commentaries?**

1. **Website/Smart Phone** – access the audio commentaries online at [www.mission119.org](http://www.mission119.org) or via the “Mission 119” app. These will provide everything you need including the weekly Scripture readings and audio commentaries.
2. **Audio CD** – If you do not have internet access, we make the audio commentaries available on CD for you to pick up at the Connection Hub. The cost is \$5 for 10 weeks.

**Will this journey cost me anything?**

Only time! It will cost you 20-30 minutes 5 days per week for 91 weeks. However the benefits of being in God’s Word on a consistent basis over a long period of time will far exceed that investment.

**Should I encourage my friends to participate also?**

Yes! Invite friends, co-workers, and relatives to participate as well. We also suggest partnering with someone to help keep you accountable. See the Partner Guide.
